

ROCHE HAROLD

FRONTEND DEVELOPER

 **P:** 0711229823

 **E:** rocheharold13@gmail.com

 **A:** Nairobi, Kenya

PROFILE INFO

I am a web developer specialized in designing and constructing responsive websites using technologies such as HTML, CSS and JavaScript. I ensure that sites meet user expectations by ensuring they look good, run smoothly and offer easy access points with no loading issues between pages or error messages.

WORK EXPERIENCE

- **Hotel Landing Page** | Worked with a client in the hotel industry to create a landing page for a small restaurant.
- **Personal Project** | Used HTML, CSS, ReactJs and Bootstrap to create landing page for Real Estate firm.
- **Portfolio Website** | Used ReactJs, CSS and HTML to create a personal Portfolio website.
